Cutting the Fabric

- 1 Ensure both pieces of fabric are lying flat together with their edges lined up.
- 2 Cut a 6" by 6" square out of all four corners of the fabric.
- 3 Mark 1" wide by 6" long down all 4 sides of the rectangle.
- 4 Cut the 1" strips down each side of the rectangle (both layers of fabric).

When you are done all 4 sides of the blanket should look like this:

Tying the Sides

- 1 Tie each strip like you are closing a balloon (both colours of fabric are in the same knot).
- 2 Continue this down each side of the blanket. Be careful not to pull too tightly or you will lose the shape of the blanket.
